*"Better baseball, better men."*

Dear Sponsor,

Thank you for considering sponsorship of the **Fort Bend Texans Sports Association**.

The main focus of the **Fort Bend Texans Sports Association** is to build young men for others. We accomplish this goal through the development of the student athlete as both individual players and as young men. Our program is divided into two age groups: high school players ages 15 – 18, and junior players ages 7 – 14. The goal of our older age program is to provide our players with an avenue through which to perfect their athletic skills while allowing them to compete at a regional level. Exposure to coaches at the regional level will enable them to expand their opportunities for high school and college playing opportunities. For our younger aged players, we teach the fundamental baseball skills that will provide a base for their future playing opportunities. Our teams are divided by age and skill set so that all players are given an opportunity to compete at their own level. For all age groups we also strive to develop a strong sense of self-worth, sportsmanship, community service and success in academics.

The **Fort Bend Texans Sports Association** spring/summer 2011 season had nine active teams serving over 120 boys in addition to our 18U College Showcase program. Our operating expenses include uniforms, coaching fees, tournament entry fees, insurance, and administrative overhead. Additionally, many of our older teams travel to compete at National Championships and World Series competitions throughout the United States. Each player pays an annual registration fee of \$55 and monthly dues of \$210 plus travel expenses. Your tax deductible sponsorship may be designated to offset expenses for a particular team, designated to offset dues for a specific individual, or may be left undesignated to be allocated across all teams.

On behalf of the Board of Directors of the **Fort Bend Texans Sports Association**, thank you for supporting our organization and the young men of our area. Your contribution will help us to achieve our goal of *"better baseball, better men."*

With kind regards,

Debbie Page  
Treasurer, **Fort Bend Texans Sports Association**
